

# Agent SITE

## 01. Logo

Have a logo?  
A branded website will help you stand out

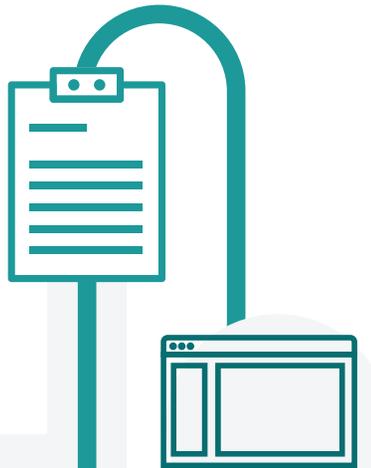

## 02. Photos

- Headshots
- Team Photo
- Local Scenery

## 03. Content

- History
- Team Bios
- Contact Info
- Social Media
- Blog Posts
- Autoresponder

## 04. Build Website

Once you've gathered the necessary assets, you can build your website

## 05. MLS Onboarding

Talk to your realtor board and request RETS feed access. *This typically involves some paperwork*

## 06. MLS Integration

Connect your MLS data feed and verify that listings stay in sync

## 07. Launch & Domain Name

After you secure a domain name, schedule the launch date for the website.
