Agent
SITE

01.
Logo

Have a logo? A branded website will help you stand out

02.
Photos

· Headshots
· Team Photo
· Local Scenery

03.
Content

· History
· Team Bios
· Contact Info
· Social Media
· Blog Posts
· Autoresponder

04.
Build Website

Once we've gathered the necessary assets, we build your website

05. MLS Integration

We connect your Agent SITE plan to your MLS data feed and verify that listings stay in sync

06.
Launch!

After you approve your website final draft, we schedule the launch date

07.
Training

We teach you how to update your website and record the session for later

08.
Tell us how we did. Send us your feedback

Agent SITE

01. Choose a Plan

Choose from one of our Agent SITE plans to get started

02. Billing Info

Place a credit card on file for your subscription

03. Domain Name

Need a domain? We'll help you find a few options

04. Agent Names & IDs

Send a list of your agents and MLS agent IDs, so we can pull your data

05. MLS Onboarding

Talk to your realtor board and request RETS feed access. *This typically involves some paperwork*

06. MLS Credentials

Send us your RETS feed credentials
